## **LIVE FIRE TRAINING**

With support from the Board of Fire Commissioners of Lakewood Fire District No. 1, firefighters from the Lakewood Fire Department participated in Live Fire Training exercises at Toms River Fire Academy on Wednesday, May 23, 2018.

The training, involving live fire scenarios, was directed to the many and varied aspects of fireground operations, including but not limited to, unified command, personnel control and accountability, forcible entry, basement fires, standpipe operations, fire hose advancement, search and rescue, use and refilling of Self-Contained Breathing Apparatus (SCBA), etc.

Once again, the members of the Lakewood Fire Department took time away from their families to attend this vitally important training. This will no doubt contribute to enhancing the safety of the Township of Lakewood community.
